

Promoting a love for reading  
and summer learning

Tuesday, May 22<sup>nd</sup>

6:30–7:30 PM • ATHLOS ACADEMY OF ST. CLOUD

FAMILY

LITERACY

NIGHT

Please join us for our family literacy night at Athlos Academy, where we will discuss ways to help students develop a love for reading, as well as simple strategies for continuing learning at home during the summer months.

As we help children develop a love of reading, they will better retain the knowledge they learned during school and progress from learning to read to reading to learn. Come contribute to the discussion and learn how you can help your child read this summer.
