

Request for Proposals

School Food Service Management Contract

School Year 2019-2020

Athlos Academy St. Cloud

Purpose

This solicitation requests proposals for the operation and management of a school food service for the School Food Authority identified in this solicitation, referred to as the SFA. A proposal may be submitted by a Food Service Management Company, referred to as the Company, in compliance with the procedures and timelines described here. Procurement of the contract will be conducted in a manner that provides maximum open and fair competition as provided in 2 Code of Federal Regulations (CFR) Part 200.

A company must submit its proposal to meet the requirements described here, including attachments provided here that require information from the Company. Responsive proposals submitted by a Company will be evaluated by the SFA for award of the contract. Evaluation criteria in addition to low price are listed. The SFA, based on evaluation of the proposals including price, will award and sign the contract with the Company that submits the proposal awarded the most points.

A. Intent

This solicitation is for the purpose of entering into a contract for the operation of a nonprofit school food service for Athlos Academy St. Cloud referred to here as the school food authority (SFA). A Food Service Management Company submitting a proposal is referred to here as "Company." SFA is requesting school meals, prepared on site in the school kitchen, meeting USDA meal pattern requirements for the breakfast and lunch meals for all operating days using attached menu samples or equivalent. The Company will oversee meal production, complying with all Federal, State and local food safety and health codes, serving meals, counting meals at the point of service, annual staff training (including civil rights, offer vs serve, meal pattern, meal counting, point of sale software) and cleaning of the kitchen and serving areas.

A Site Data page is attached with details for each site requiring food service.

B. Contract

The contract will be for a period beginning on or about **July 1, 2019** and ending June 30, **2020**.

The contract will be for fixed meal prices. The standard contract template provided by the Minnesota Department of Education (MDE) must be used for the contract. No changes may be made to the standard contract unless preapproved by MDE.

The standard contract may be terminated for cause by either party with 60 days' notice. The contract may be terminated for convenience only upon mutual agreement of both parties.

The contract will be renewable for additional one-year periods, if mutually agreed to by SFA and Company, for up to four one-year contracts after the original contract. Price adjustments for renewed contracts will be limited to a Consumer Price Index (CPI) percentage announced by MDE each year.

C. Procurement Method

Procurement transactions for the expenditure of SNP funds must be conducted in a manner that provide for full and open competition consistent with program regulations, applicable federal grants management standards in 2 Code of Federal Regulations (CFR) 200 and 400, and applicable state law.

The weighted criteria that SFA will use to evaluate the non-price portions of proposals are attached to this RFP.

D. Proposal Submission and Award

1. Sealed proposals are to be submitted, in a sealed envelope marked "Food Service Management Proposal," to:

Justin Mann
jmann@athlosacademies.org
918 W. Idaho Street
Boise, Idaho 83702

Proposals must be submitted by **3:00pm June 21, 2019** at the address shown above. No proposal will be accepted after the exact time specified.

2. The SFA reserves the right to reject any proposal for a sound, documented reason, and to reject all proposals if an insufficient number of proposals is received.
3. To be considered for award of contract, a Company must submit a complete response to this solicitation using the standard templates and forms provided. No modification may be made to the standard templates and forms.
4. Award will be made to a qualified and responsible Company whose proposal is most responsive to this solicitation.
5. A Company and its authorized representatives are expected to fully inform themselves as to the conditions, requirements and specifications before submitting a proposal. Failure to do so will be at the Company's risk and relief cannot be secured on the plea of error. SFA is not liable for any cost incurred prior to the signing of the contract by both parties.
6. If additional information is required, please contact Hannah Schaeffer at 818.809.9499.

E. Pre-Proposal Meeting

A pre-proposal meeting to review the specifications, clarify any questions and conduct a walk-through of the facilities with SFA officials will be held on **June 11, 2019 at 3:00pm** at: 3701 33rd St S, St Cloud, MN 56301. Attendance is required.

F. Gifts from Company

SFA's officers, employees or agents will neither solicit nor accept gratuities, favors or anything of monetary value from contractors or potential contractors. To the extent permissible under state law, rules or regulations, such standards will provide for appropriate penalties, sanctions or other disciplinary actions to be applied for violations of such standards.

G. Selection of Manager

SFA reserves the right to interview and approve the on-site food service manager.

H. Employees

The current SFA food service employees will:

- Retain interview rights when Company hires.

I. Meal Equivalents for A La Carte Foods

The meal equivalency factor for school year 2019-20 is \$3.65. The factor is based on the 2018-19 rates of federal and state reimbursement for a free school lunch plus the per-meal USDA Foods entitlement value. The meal equivalency factor will be used to determine the number of meals that the a la carte food service is equivalent to, for the purpose of paying Company for the a la carte food service at the fixed meal price paid per school lunch. Net a la carte revenue (excluding catering) will be divided by the equivalency factor of \$3.65 to determine the number of equivalent lunches for payment to the company. The factor will be updated for any year that the contract is renewed.

J. Costs and Fees

The Company will be responsible for the food service costs that are listed in the Cost Responsibility attachment. The fixed per-meal prices proposed by Company on its Price Proposal will be the complete payments due to Company without any other charges for costs.

K. Evaluation Criteria

Proposals will be evaluated by a committee using the attached evaluation criteria and the weight of each criterion as shown.

L. Food Substitutions

Company will meet the following requirements for food substitutions and modifications:

1. The federal requirement to provide meal substitutions and modifications for students documented by a physician, physician assistant, or advanced practice registered nurse such as a certified nurse practitioner to have a disability. Company may bill SFA, in addition to the fixed meal price, for excess costs incurred to provide required substitutions or modifications.
2. The state requirement (Minnesota Statutes, section 124D.114) to provide lactose-reduced milk for students with lactose intolerance.
3. The SFA policy to provide substitutions that meet the meal pattern for preferences of students without a disability, upon written request of a parent or legal guardian.
4. The SFA policy to provide a non-dairy fluid milk substitute that is nutritionally equivalent to cow's milk for students with a medical or other special dietary need upon written request.

M. Free and Reduced-Price Meal Eligibility

Athlos Academy St Cloud will be responsible for the free/reduced-price meal eligibility processes, including distribution of meal applications, approval/denial and verification of applications, hearings/appeals, and direct certification.

N. USDA Foods

Company will provide credits to SFA for USDA Foods that are received at the warehouse or processor for SFA for the contract year. The credits will reduce the amount due from SFA to Company under the contract. Credits will

be provided from Company to SFA irrespective of whether or how Company uses the USDA Foods, which Company is not required to use for the SFA or for school meals. Company will provide credits to SFA on applicable monthly bills unless MDE accepts the need for a different crediting schedule upon review of the draft contract to be awarded.

USDA Foods that Company will credit to SFA include the initial USDA Foods for the contract year that SFA or its current company has ordered or will order in the spring survey. Check one:

- X This RFP includes attached information about USDA Foods that have been ordered in the spring survey for the upcoming contract year.
- This RFP does not include information about USDA Foods that will be ordered in the spring survey for the upcoming contract year.
