Children and Foster Status: List all children in the household in Section 1.

- Indicate that a child is in foster care by checking the box.
- Include any regular income, for example supplemental security income (SSI), to children other than foster children. Do not list occasional earnings like babysitting.

**Case Number**: Complete Section 2 if any household member currently participates in one of the programs listed in that section. If Section 2 is completed, skip Section 3 (adult names and incomes).

**Adults/Household Incomes**: List all adult household members, whether related or not, in Section 3. Include an adult who is temporarily away, such as a student away at college. Do not complete Section 3 if a case number was provided in Section 2, or if the application is for foster children only.

List each adult household member's gross incomes (not take-home pay) and how often each income is received. For example, "W" for Weekly.

- List gross incomes before deductions.
- If an income varies, list the amount usually received.
- For farm/self-employment income only, list net income after subtracting business expenses.
- Examples of "other income" to include in the last column are farm/self-employment, Veterans benefits and disability benefits.
- Check the "No Income" column after a person's name if they have no income.

Do not include as income: foster care payments, federal education benefits, MFIP payments, combat pay, or value of assistance received from SNAP, WIC, FDPIR or Military Privatized Housing Initiative.

Signature: The form must be signed and dated by an adult household member in Section 5.
