2022–23 Achievement and Integration (A&I) Progress Report

Once they are approved by MDE, Achievement and Integration (A&I) plans are in effect for three years. At the end of the third year, the commissioner must determine if districts met each goal in their approved plans ([Minn. Stat. § 124D.862, subd. 8](#)).

In order to do this, each district is asked to provide information in this A&I progress report indicating whether or not each of their plan goals was on track or has been met. The information you submit will also be used to provide ongoing support for your A&I efforts.

Districts with one or more racially identifiable schools will also submit progress reports to verify whether 2022–23 A&I plan goals for each of those schools were on track or have been met.

Districts that don't meet plan goals after three years are to consult with the commissioner on improvement plans and use up to 20% of their annual A&I revenue to fund improvement strategies—strategies that will make it more likely for a district to meet their new A&I goals (Minn. Stat. § 124D.862, subd. 8).

Please ensure your Achievement and Integration leadership team collaborates when completing this report.

This progress report has two parts:

1. **Achievement and Integration:** Required for all districts that were implementing an MDE approved Achievement and Integration plan during the 2022–23 SY.
2. **Racially Identifiable School (RIS):** Required for districts that were implementing an MDE approved Achievement and Integration plan for Racially Identifiable Schools during the 2022–23 SY.

***Please use this template as an internal tool to gather information. Responses should be submitted electronically in the [Combined 2022–23 WBWF and A&I Annual Summary & Progress Report](#). You can copy your responses from this template into the electronic form.**
