## E-Learning 2<sup>nd</sup> Grade

### TITAN CHOICE BOARD

The TITAN CHOICE BOARD is for E-Learning Days. Students should complete one activity in each column to create a BINGO. Mark the boxes your child completed, sign the bottom of the form, and return to your child's teacher within 3 days for your child to be counted as attending. Please contact your child's teacher with any questions.

Literacy	Math	Science/Social	Art/Movement	Character Traits
Make a reading fort. Cozy up and read your favorite book. BONUS – Invite someone to read with you (sibling, caregiver, pet, stuffed animal)	Play any card game you know (Go Fish, sort them, garbage, adding 2 cards)	Pick out 2 toys; Make a list of describing words you would use to explain what each toy looks and feels like	Put on your favorite song and dance along	Show Initiative - Do a chore that you don't normally do
Write a note to your teacher telling her what you like about 2 <sup>nd</sup> Grade	Ask an adult if you can count, sort, and/or identify the coins in their pocket, purse or around the house	Draw a map of your bedroom or whole house. Include a key	Make a building using materials in your home (cups, boxes, toys or anything else you can stack)	Show Creativity - Design a future car. You can draw, write about or build one
Record the steps of how to make your favorite breakfast, Make sure you use the words (First, Second, Next, Then, Finally)	Count to 200 or 500 by 5s or 10s; Write as you count	Design and create a structure. This could be a model, a fort, a Lego house, etc.	Move like these animals. Crab, Bear, Kangaroo and Butterfly	Show Social Intelligence - Write or draw a Thank You card for someone
Would you rather build a snowman or go sledding? Write about it and tell three reasons why	Write 5 addition and 5 subtraction double digit problems and solve them	Talk to a family member at home or by phone; Find out what school was like when they were your age	Draw a picture of what the snow looks like from a window at your home	Show Grit - Complete a puzzle
Write 5 sentences to describe things you can do in the winter`	Practice your addition/subtraction facts using flash cards; If you don't have any, make some!	Make a ramp for a toy car. How far will your car go if you make the ramp taller and/or longer?	Do these exercises two times each: 10 toe touches 10 sit-ups 10 jumping jacks 10 arm circles	Show Curiosity - Bring a snowball inside and see how long it takes to melt in a bowl
