## E-Learning Kindergarten

### TITAN CHOICE BOARD

The TITAN CHOICE BOARD is for E-Learning Days. Students should complete one activity in each column to create a BINGO. Mark the boxes your child completed, sign the bottom of the form, and return to your child's teacher within 3 days for your child to be counted as attending. Please contact your child's teacher with any questions.

Literacy	Math	Science/Social	Art/Movement	Character Traits
Think of as many words as you can that rhyme with HAT	Count and fold 10 pairs of socks	Play "name that feeling" with a partner. Partner one acts out a feeling. Partner two guesses. Switch roles.	Put on your favorite song and dance along	Show Initiative - Do a chore that you don't normally do
Read a book or have someone read to you	Find something in your home that is shaped like a circle, a triangle and a square. Draw them.	Draw a picture of an animal that lives in cold climates (polar bear, arctic fox, penguins, etc.)	Make a building using materials in your home (cups, boxes, toys or anything else you can stack)	Show Creativity - Design a future car. You can draw, write about or build one
Write upper and lower case letters	Make a pattern using things you find at home. (Cereal, Legos, Socks, etc.)	Describe how the weather is today. Draw a picture of it	Move like these animals. Crab, Bear, Kangaroo and Butterfly	Show Social Intelligence - Write or draw a Thank You card for someone
Write a note to your teacher telling her what you like about kindergarten	Play any card game you know (Go Fish, sort them, garbage, adding 2 cards)	Show good citizenship by helping someone	Draw a picture of what the snow looks like from a window at your home	Show Grit - Complete a puzzle
Find 5 things in your home that start with the letter of your name	Write your numbers 0-20. Practice counting forward to 20 and backwards from 20. (Challenge - see how many numbers beyond 20 you can write or count to)	Design and create a structure. This could be a model, a fort, a Lego house, etc.	Do these exercises two times each: 10 toe touches 10 sit-ups 10 jumping jacks 10 arm circles	Show Curiosity - Bring a snowball inside and see how long it takes to melt in a bowl
