

Kindergarten E-Learning Student Plan

In the event of an e-learning day, please refer to this guide for Kindergarten expectations.

Step 1: Students are expected to join our ZOOM meeting between 9:00-9:30, as a form of attendance.

If your child is unable to join our ZOOM meeting, a **PARENT MUST SEND AN EMAIL TO YOUR CHILD'S TEACHER.** See teacher emails below.

If your child is sick on an e-learning day, you must call the school office and leave a message. 320-281-4430

Step 2: Use the Choice Board attached to complete ONE Bingo (5 squares).

Added Challenge: Try to complete one square in each category.

Have a parent/guardian sign the completed board and return to school the next in person school day.
