I. PURPOSE

The purpose of this policy is to address the circumstances in which data should be provided to classroom teachers and other school staff members about students with a history of violent behavior in order to serve the student and protect students and staff members, and to establish a procedure for notifying such staff members. In an effort to provide a safe school environment, the assigned classroom teacher and certain staff members should receive notice of whether a student to be placed in his or her classroom has a history of violent behavior.

II. DEFINITIONS

A. "Administration" means the Superintendent, building principal or other designee.
B. "Classroom Teacher" means the instructional personnel responsible for the course or room to which a student is assigned at any given time, including a substitute hired in place of the classroom teacher.
C. History of Violent Behavior
   1. A student will be considered to have a history of violent behavior if incident(s) of violence, including any documented physical assault of a school district employee by the student, have occurred during the current or previous school year.
   2. If a student has an incident of violence during the current or previous school year, that incident and all other past related or similar incidents of violence will be reported.
D. "Incident(s) of violence" means willful conduct in which a student endangers or causes physical injury to the student, other students, a school district employee, or surrounding person(s) or endangers or causes significant damage to property, regardless of whether related to a disability or whether discipline was imposed.
E. “Legitimate educational interest” includes an interest directly related to classroom instruction, teaching, student achievement and progress, discipline of a student, student health and welfare, and the ability to respond to a request for educational data. It includes a person’s need to know in order to:
   1. Perform an administrative task required in the school or the employee’s contract or position description approved by the school board;
   2. Perform a supervisory or instructional task directly related to the student’s education; or
3. Perform a service or benefit for the student or the student’s family such as health care, counseling, student job placement, or student financial aid;
4. Perform a task directly related to responding to a request for data.

III. POLICY

A. Any staff member or other employee of the school district who obtains or possesses information showing that a student in the building may have a history of violent behavior as defined below, shall immediately report said information to the principal of the building in which the student attends school.

B. The administration will meet with the assigned classroom teachers and other appropriate staff members for the purpose of notifying and determining how staff will manage such student.

1. The administration will provide notice to anyone substituting for a classroom teacher or school staff member, who has received notice under this policy, that the substitute will be overseeing a student with a history of violent behavior.

2. The administration may provide other school district employees or individuals outside of the school district with information regarding a student’s history of violent behavior only if such notice is in accordance with Student Policy 5105 – Protection and Privacy of Student Records.

3. The notice given to school staff members will be in writing and will include the following:
   a. Name of the student;
   b. Date of notice;
   c. Notification that the student has been identified as a student with a history of violent behavior as defined above; and
   d. Reminder of the private nature of the data provided
4. The administration will retain a copy of the notice or other documentation provided to school staff members notified under this section.

C. Only staff members who have a legitimate educational interest in the information will receive notification.

D. If the administration determines, in its sole discretion, that school staff members with a legitimate education interest in such data reasonably require access to the details regarding a student’s history of violent behavior for purposes of school safety and/or intervention services for the student, the administration also may convene a meeting to share and discuss such data.

E. The administration will notify parents annually that the school district notifies school staff members about the violent behavior history of its students.

F. Prior to providing the written notice of a student’s violent behavior to classroom teachers and/or school staff members, the administration will inform the student’s parent or guardian that such notice will be provided.

G. Parents will be given notice that they have the right to review and challenge records or data, including the data documenting the history of violent behavior, in accordance with Policy 515, Protection and Privacy of Pupil Records, as well as applicable privacy laws.
